

Statutory Instrument 65 of 2023.

[CAP. 13:16

Civil Aviation (Aeronautical Meteorology Services) (Amendment) Regulations, 2023 (No. 1)

---

IT is hereby notified that the Minister of Transport and Infrastructural Development has, in terms of section 79 of the Civil Aviation Act [*Chapter 13:16*], made the following regulations:—

1. These regulations may be cited as the Civil Aviation (Aeronautical Meteorology Services) (Amendment) Regulations, 2023 (No. 1).

2. The Civil Aviation (Aeronautical Meteorology Services) Regulations, 2019, published in Statutory Instrument 46 of 2019 (“hereinafter called the principal regulations”), are amended by the insertion of a new section after section 21 as follows—

“21A. No service provider shall import, relocate, install, modify or carry out factory acceptance tests of—

- (a) aeronautical meteorological equipment used for air traffic services; or
- (b) equipment for use of aeronautical meteorological services;

without the approval of the Authority.”

3. The principal regulations are amended by the repeal of section 24 and substitution of the following—

“24. Any person who—

- (a) provides a meteorological service without being certified in terms of these regulations; or
- (b) in an application made in terms of sections 3 and 4(4), provides information in or together with such application which he or she knows to be false or has no reasonable grounds for believing to be true; or
- (c) assigns, cedes or otherwise transfers his or her certificate of approval of the Authority; or
- (d) fails to notify the Authority of any material change in the particulars furnished in connection with an
